- Great cookies in afternoon
- Material that you can take with you.
- I only attended Cathy's presentation – she was great!
- More resource materials needed from presenters.
- Why Try was great.
- Full day training on why try

- Finish by 3:30pm on Friday. The last presenter gets a limited number of tuned in participants.
- Please offer fresh fruit.
- There weren't too many resource materials.
- Full day training on Why Try.
- Perhaps more structured opportunities for networking and exchange of information?  
Thank you!
- Short/small networking time to talk. Maybe shorter lunch and time to meet and informally chat.
- More large group formal networking and sharing program ideas that centres are already doing.
- This was a very nice opportunity to network with other agencies that serve the same clients that our centre serves. Great resources. Looking forward to continuing this great networking and sharing. Thank you.
- More of the same, please. Thanks for a great 2 days!
- One half hour didn't seem like enough time to cover evaluation topic. Maybe extend to one hour.
- Perhaps speakers/workshops that are more interactive could be done at beginning and end of training days. More networking time.
- Some sessions could be condensed with the same benefit produced.
- Unfortunately, I was only here for one day so I didn't network as much.
- It was distracting to hear so much of what was happening in the other session. Two different rooms would have been better.
- I think the coordination of the event was great. All organizers were helpful and very friendly. Some of the individual sessions could be improved.
- Wednesday or Thursday conference. Friday pm was hard to keep people. Why Try – excellent!! Good school discussion.
- Would have liked more time to network with other similar agencies. The lunch hour was too short to accommodate this – maybe a Meet & Greet?
- Food was great. Maybe serve juice with coffee and tea.
